It seems they have sent the wrong ref. According to Billings Gazette, the NFL is threatening to discipline any referee who does not hand down that suspension. "We expect that suspension," NFL spokesman Brian McCarthy said. "We don't always get our way in this business." Vincent Hurdle, the official who ejected Chiefs fan Chris Kluwe on Saturday, said he is not going to be disciplined. He said his punishment had nothing to do with the second-half incident, which happened before the kickoff of the game. "I didn't see any ejection," he said, via Chris Mortensen of ESPN.com. "They weren't going to eject me." So the NFL is threatening to eject Kluwe and suspension the official who will go along to get along. The NFL certainly will get its way on that front.Lasz 2d92ce491b
